

1. Introduction

Inbox-Widget (“we,” “our,” or “us”) operates a desktop application (“App”) that allows users to collate and view messages received on third-party platforms such as WhatsApp, Gmail, and Instagram in a unified interface.

This Privacy Policy explains how we collect, use, store, and protect your information when you use Inbox-Widget.

2. Information We Collect

2.1 Information You Provide

- Account information (email address, username)
- Authentication credentials (via OAuth or API authorization)
- Support inquiries and communications

2.2 Information Retrieved from Third-Party Platforms

With your explicit authorization, Inbox-Widget may access:

- Message metadata (sender, timestamp, subject)
- Message content
- Contact names
- Profile images (if permitted by platform APIs)

We only access data necessary to provide the service functionality.

2.3 Automatically Collected Information

- Device information (OS version, app version)
- Error logs and diagnostic data
- Usage statistics (feature usage, performance metrics)

We do **not** intentionally collect sensitive personal information beyond what is required to aggregate your messages.

3. How We Use Your Information

We use collected information to:

- Provide message aggregation functionality
- Display unified inbox content
- Improve app performance and reliability
- Respond to support requests

- Ensure security and prevent misuse

We do **not** sell your personal data.

4. Data Storage and Processing

Inbox-Widget is designed as a desktop-based application.

Depending on configuration:

- Messages may be stored locally on your device.
 - If cloud synchronization is enabled, encrypted data may be temporarily processed on secure servers.
 - We use encryption in transit (TLS) and encryption at rest (where applicable).
-

5. Third-Party Services

Inbox-Widget connects to third-party services including but not limited to:

- WhatsApp
- Gmail (Google)
- Instagram (Meta)

Your use of those services remains subject to their respective privacy policies and terms.

Inbox-Widget does not control and is not responsible for changes to third-party APIs or policies.

6. Data Sharing

We do not:

- Sell your personal information
- Rent your data
- Share message content for advertising purposes

We may disclose information:

- To comply with legal obligations
 - To protect rights, safety, or property
 - In connection with a merger, acquisition, or sale of assets
-

7. Data Retention

We retain data only as long as necessary to provide the service or as required by law.

You may revoke access to third-party accounts at any time via:

- App settings
- Third-party platform account settings

Upon revocation, data synchronization will cease.

8. Security

We implement reasonable technical and organizational measures including:

- OAuth authentication
- Encrypted API connections
- Secure token storage
- Access control restrictions

However, no system is 100% secure.

9. Your Rights

Depending on your jurisdiction, you may have rights to:

- Access your data
- Request correction
- Request deletion
- Withdraw consent
- Data portability

To exercise rights, contact: [Insert Contact Email]

10. Children's Privacy

Inbox-Widget is not intended for individuals under 13 (or applicable minimum age in your jurisdiction).

11. Changes to This Policy

We may update this Privacy Policy periodically. Continued use of the App constitutes acceptance of the updated policy.
